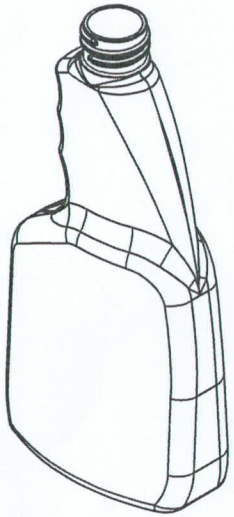
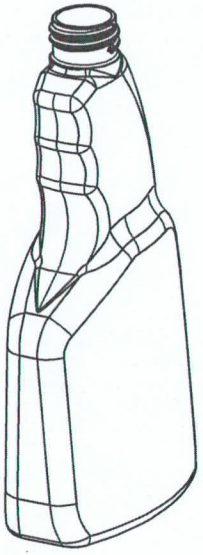
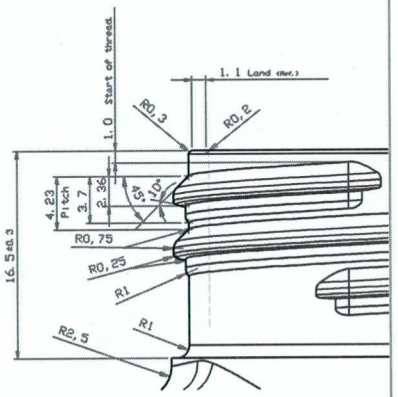
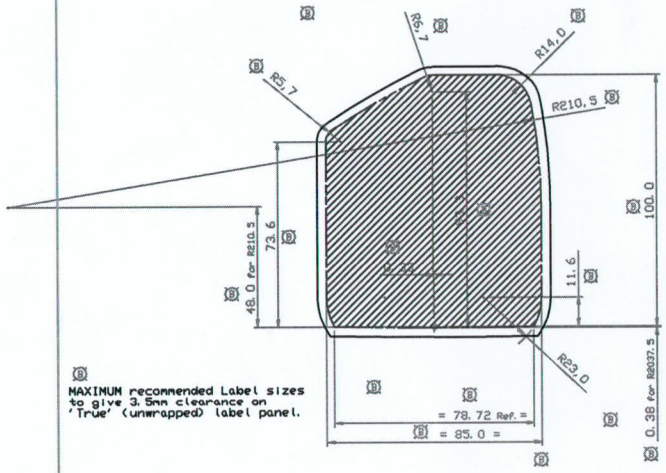
AMENDMENTS
10/05/01

Concern about shingling made us increase label panel radius to reduce the curve - bottle width reduced.
R100 was R75
93.3 was 98.1
The change meant that the Label sizes changed as the 'True' unwrapped panel size changed.
LJK

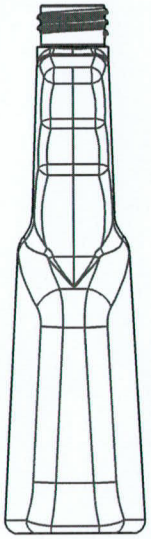


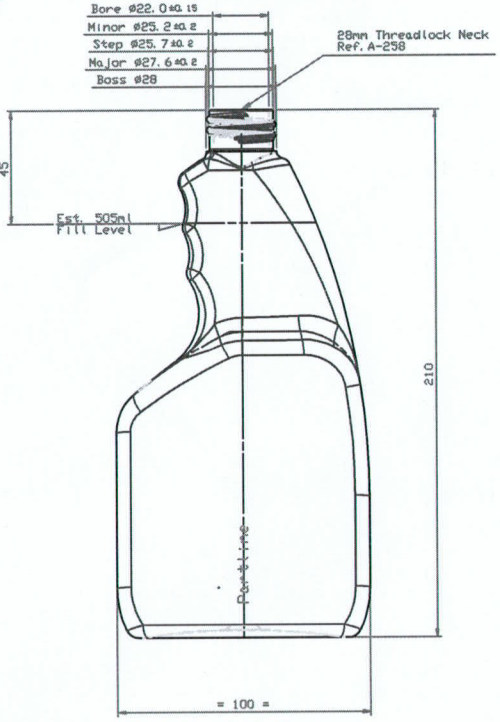


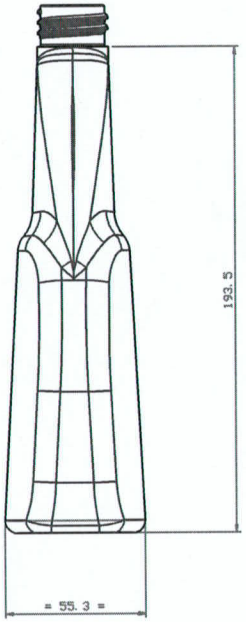


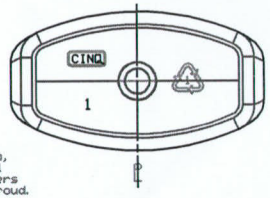


MAXIMUM recommended Label sizes to give 3.5mm clearance on 'True' (unwrapped) label panel.









Cinqplast logo,
Recycle symbol
& Cavity numbers
to be 0.3mm proud.

Material: P.E.T.
Nominal Brimfull = 540ml ±10ml
Est. Weight = 38g ± 2g
